Subject: Microsoft Settlement

To whom it may concern,

Under the Tunney Act, I would like to add my opinion of the Microsoft settlement. I believe that this settlement in no way will cause Microsoft to behave any less anti-competitively than they have in the past. Not only are there enough loopholes in the definitions to allow Microsoft to sidestep the settlement at any time, but even if they violate it there is no real enforcement mechanism other than to try them in court again.

Thank you.

Sincerely,

Daniel Boudrot
